

GUMMBAH

There goes Silly Pig

Daar gaat Fout Varken

Gumbah's cartoons are full of absurdism and extreme situations. He published his first comic *God* in 1994, distributing it himself. His talents were immediately recognised by Dutch publishing house De Harmonie, which started publishing his cartoons the same year. Gumbah's name was established and his work was published in *de Volkskrant*, *Nieuwe Revu*, *HUMO*, and the trade journal for book-sellers and publishers, *Boekblad*. His cartoon collections (e.g. *Time Flies Badly*, *The Secret of the Disappeared Mystery*, *How Eddie Got Possession of the Ball*, *Neksnor*, *Calf leather underpants*) are best-sellers and have been reprinted many times. A new volume, *There goes Silly Pig*, has just been published. During the summer of 2006 he published a very well-received series of cartoons in the quality daily *de Volkskrant*.
